You will also be required to validate your bank account. The direct deposit process will be in a hold status until the consumer's bank account is verified. If an e-mail address is on file, an email will be provided to the consumer from Auto_Reply@DiscoveryBenefits.lh10d.com. Please be sure to add this to your SAFE list. The email will guide you through the steps of validation, which include a deposit followed by an immediate withdrawal not exceeding \$0.99 to the account within the 1-3 business days of direct deposit enrollment. To validate the amount from Discovery Benefits, log into the consumer portal at www.discoverybenefits.com, and select the Bank Accounts page or click on the link in the Action Required section on the consumer portal home page. Once you validate the deposit/withdrawal amount, the bank account for direct deposit will be activated. If you have questions on confirming your bank account information, please contact Discovery Benefits at 866-451-3399.

By completing the on-line steps for establishing direct deposit, you are certifying the information provided is accurate. Further, the completion and submission of this information authorizes Discovery Benefits to issue payment directly to the specified account unless notified to do otherwise. I understand and agree that Discovery Benefits reserves the right to reverse any ACH deposit where an error occurs, in accordance with banking regulations.
