Step 2: Social Security Disability Extension (SSDE) Information

Please select only one.

Applying for a Social Security Disability Extension (SSDE): I have included a copy of the Notice of Award letter from the Social Security Administration (SSA). If this letter does not include the specific date I or another qualified beneficiary became disabled, I am aware I will need to request this additional information from the SSA. I understand that in order to be eligible, I must submit this completed form with a copy of the letter(s) from the SSA within 60 days of the date of the Notice of Award letter and before the original 18 months of COBRA benefits have expired. I also understand the disability must have occurred prior to or within the first 60 days of my COBRA start date. I understand my COBRA premiums may increase up to 150% of the original cost if the SSDE is granted. Additionally, I understand my continuation of coverage due to the SSDE will last no longer than 11 months beyond my original 18 months of COBRA coverage, and that should I request to cease the extension, my request must be made in writing.

Cancelling a Social Security Disability Extension: I have included a copy of the letter from the Social Security Administration (SSA) indicating that I or another qualified beneficiary is no longer disabled. I understand that I must submit this completed form with a copy of the letter from the SSA within 30 days of the date of that letter.

Step 3: Qualified Beneficiary Certification

I understand my submission of this form is to either continue or cancel my coverage due to the Social Security Disability Extension. Further, I understand my request to extend coverage due to the Social Security Disability Extension does not guarantee coverage will be extended and that should my request be denied I will be notified in writing.
